NEW JERSEY DARE DEVILS

The New Jersey Dare Devils Hockey Club is a non-profit organization for the benefit of special needs individuals ages 5 to adult.

Team fundraising enables us to keep registration fees low for families who typically have high medical, rehabilitative, and therapeutic costs. Additional monies provide extended ice time, equipment, travel and coaching expenses, social activities throughout our season (September - April), and a no cost two day summer hockey camp.

We appreciate any and all support and invite our friends and supporters to experience true sportsmanship by attending a game. Please visit our website www.njdaredevils.net for

Bruce Giger
Manager,
Mentor, Friend

Bruce Giger had been involved in the lives of special needs individuals since son Danny, now 28 years old, was a young boy. To ensure his son would have the recreational outlet and physical exercise he craved, Bruce became a leader in the world of special needs sports. Realizing that sports was a much needed outlet for his son as well as other young children he coached, Bruce strived to search out available programs and spread the word of their existence to those in his community.

In 2002, Bruce and Danny joined the New Jersey Dare Devils Hockey Club and Bruce later became its Team Manager. Under Bruce's watch, the Dare Devils grew to almost 55 players, filling the ice to its capacity. He did not look for accolades and awards. It was the faces of the athletes taking part in sports, overcoming challenges, being part of a team and making friendships that was Bruce's reward. It seemed only natural to honor this unsung hero with a golf tournament in his name.

The New Jersey Dare Devils Hockey Club family is proud to have known and honor this inspirational and wonderful man.
